

MPAA - Numerical listing of USA Production Code certificates of approval, until film number 52000 - - -

Sources include the American Film Institute (AFI) Catalog of Feature Films, 1931-1940 - - -

MPAA certificate numbers are shown in each movie film title credits (opening credits OR ending credits) - - - 1 to 52000 - - -

Starting at certificate number one in the year 1934 (The World Moves On), in the opening credits of most USA released movie films from the year 1934 until

Initially displayed as a whole frame title card with these words "THIS PICTURE APPROVED BY THE PRODUCTION CODE ADMINISTRATION OF THE MOTION PICTURE

MPAA film numbers (certificate of approval) - For each movie film, displayed on screen at the end of the credits of every USA released movie film, the Motion Picture

Since the MPAA movie rating scheme started in 1968, each movie film displays a stylized Mercator globe, with a film reel in the middle. Above that is the

until the year 1968, the certificate number meant that the movie film adhered to the Hayes Office "Motion Picture Code".

"MOTION PICTURE DISTRIBUTORS OF AMERICA" and then later the certificate numbers were displayed (without the above statement) below a stylized oval at t

the Motion Picture Association of America (MPAA) has issued a unique number to identify the title.

Below the certificate number and below is shown the name, "Motion Picture Association of America".
